

ADNY EngageNY Grade 5 ELA Modules At-A-Glance 2015-2016

The information below is intended to guide your planning in use of the EngageNY ELA modules. Six ELA modules have been created for grade 5. However, only 4 of the ELA Modules are to be taught. Teachers should begin the school year teaching ELA Module 1 and end the year teaching ELA Module 4. Teachers should choose between modules 2A and 2B and 3A and 3B. Each module provides eight weeks of instruction, broken into three shorter units. Each Unit includes a Mid and End Unit Assessment as well as a Final Performance Task.

Catholic Connections	We are to learn and to do all we can to foster unity, justice, charity and peace, bringing about God’s Kingdom. (<i>Guidelines for Catechesis</i> , p.48) What are human rights, and how do we as Christians respond when those rights are challenged?	Students build knowledge about the rainforests and how scientists closely observe the natural world to help them communicate their research. In faith, the Sacred Scripture is an important guide for living as Christians. Like the scientist that gain awareness of nature around them in order to report to the rest of the world, the Catholic community gains deeper understanding of revelation through encyclicals of the Popes and pastoral letters of the bishops in order to spread the Good News.	Students learn about new or improved technologies that have been developed to meet societal needs and how those inventions have changed people’s lives. The sacraments of Christian Initiation give to all of Christ’s disciples a common vocation. How can we use technology to evangelize and bring the Good News to the world, which is our mission, as Catholics? (<i>Guideline for Catechesis</i> , p.46)	In American sports culture we examine the life of athletes who made a contribution by breaking societal and cultural barriers. Given their impact on society we can draw parallels with saints. We find among the saints examples of people who lived Jesus’ message in the midst of misunderstandings, discrimination, injustice, and even persecution. (<i>Guideline for Catechesis</i> , p.42)	As Catholics, we are called to respect the life and goodness of every living creature. We must avoid any misuse of things, which would show contempt for the Creator and do harm to the earth’s environment. (<i>Guidelines for Catechesis</i> , p.34) How do we utilize natural resources, responsibly?	Students take a stand on what role humanitarian organizations should take when neighboring countries are struck by natural disasters. In the <i>Guidelines for Catechesis</i> , p.3, it states, “Holiness is sharing in God’s goodness and responding to God’s love the way we live, especially by the love we show our neighbor, the poor, the needy and even our enemies.”
